Whatever the poet may say, summer is really the melon colic season.

One church in Hawaii has raised \$10,000 for missionary work in the Philippines.

Miss Helen Gould has given \$5000 to Texas flood sufferers. Miss Gould is a noble woman.

The horseless milk wagon has made its appearance. Cowless milk ceased long ago to excite wonder.

Arizona will probably be given a chance to enlist one company of volunteers for service in the Philippines.

The distance from New York to Manila by way of San Francisco is 10,028 miles, and by way of the Suez canal 11,600 miles.

The Wheeler family stands to win renown in the Philippine war. The father goes as a general, the son as a major and the daughter as a trained nurse.

The kissing bug has appeared at Kansas City, and several specimens of the insect have been secured, but as yet there are no reports to show that it has gone after Hobson's record.

The total membership in the United States of the Independent Order of Odd Fellows is 811,443; the Knights of Pythias, 469,291, and the Ancient Free and Accepted Masons, 450,000.

The preacher who can preach to please every hearer; the editor who can write to please every reader; the merchant who can sell goods to please every customer; the lawyer who can speak to please every listener; and the dressmaker who can please every woman, are all dead and wearing wings in heaven. Perfection is not found in humanity, so says some one.

No one who has traveled over the territory or who has informed himself through reliable sources, doubts of the illimitable wealth resources of Arizona in mineral, agriculture and climate. But the world is not informed of these important facts. The Star thinks we should utilize the best means of spreading the good news to every section of our land. The result will be the presence of business men seeking investment in these resources. Let us advertise if we would reap the fruits of these wealth resources.

LA GRIPPE

Is now reaping a rich harvest. It is drawing thousands within its relentless grasp. Medical statistics compiled by the best physicians of the world show that over 60 per cent of the cases of acute and chronic catarrh of the mucous membrane of the nose, throat and lungs, are due to the use of the HUYAN REMEDY COMPANY.

HUYAN as soon as the acute symptoms have subsided. HUYAN will bring about the restoration to perfect health.

THE PARTS AFFECTED ARE:
1. THE MUCOUS MEMBRANE LINING OF THE BACK PORTION OF THE NOSE. It becomes inflamed and thickened, and a chronic catarrh is the result. HUYAN will reduce the inflammation, produce a perfect circulation of blood and leave the mucous membrane in a perfectly healthy condition.
2. THE EAR DRUM. THE MUCOUS MEMBRANE OF THE EAR. It becomes inflamed and thickened, giving rise to almost total deafness. HUYAN will prevent the spread of the inflammation. The drum will not be affected and hearing will be unimpaired.
3. CHRONIC TONSILLITIS OR CHRONIC SORE THROAT. From the same cause as the two preceding. HUYAN will prevent its coming on.
4. WEAKNESS IN THE HEART. HUYAN will strengthen the heart nerves, equalize the circulation of blood and cause the heart-beats to become strong and regular.
5. A WEAKENED CONDITION OF THE LOWER LARIX OF THE LUNGS. LEAVING THEM PRONE TO ATTACKS OF PLEURISY, PNEUMONIA AND CONSUMPTION. By its effect on the blood and nerves HUYAN will cause the lung tissue to become strong and healthy and able to throw off the germs of the much dreaded pulmonary diseases.
6. LUMBAGO, OR WEAK BACK. HUYAN will strengthen it almost immediately.
HUYAN will cure all of the above symptoms and leave your whole system in a perfect condition of health. Go to your druggist at once and procure a package of HUYAN for 20 cents, or at packages for \$2.50. If your druggist does not keep it, send direct to the HUYAN REMEDY COMPANY, San Francisco, or Los Angeles, Cal. Remember that you can consult the HUYAN DOCTORS FREE. Call and see the doctors. You may call or write them or write, as you desire. Address:

Thousands are Trying It.

In order to prove the great merit of Ely's Cream Balm, the most effective cure for Catarrh and Cold in Head, we have prepared a generous trial size for 10 cents. Get it of your druggist or send 10 cents to ELY BROS., 56 Warren St., N. Y. City.

I suffered from catarrh of the worst kind ever since a boy, and I never hoped for cure, but Ely's Cream Balm seems to do even that. Many acquaintances have used it with excellent results.—Oscar Ostrum, 45 Warren Ave., Chicago, Ill.
Ely's Cream Balm is the acknowledged cure for catarrh and contains no cocaine, mercury nor any injurious drug. Price, 50 cents. At druggists or by mail.
